Revised Academic Regulations (2025-2026)

Document: NIT-ACAD-REG-REV-2025 | Effective: Academic Year 2025-2026 | Published: July 15, 2025

Executive Order & Amendment Notice:

This document supersedes all prior ordinances including the 2023-2024 regulations regarding attendance, grading, and degree requirements for all students enrolled from Academic Year 2025-2026 onwards.

Section 1: Revised Attendance Policy & Medical/Sports Condonation (Rule 4.1 Amended 2025)

Rule 4.1 (Revised 2025): Regular attendance requirement remains 75% in each registered course.

Rule 4.2 (Condonation Clause): In exceptional cases, a student who has attendance between 65% and 74.9% may be granted Attendance Condonation under the following strictly verified circumstances:

(a) Documented Medical Emergency: Hospitalization of at least 5 consecutive days verified by Institute Health Center.

(b) Institutional Sports or Academic Representation: Formal participation in AIU/National events approved by Dean.

Rule 4.3: Applications for condonation must be submitted with valid medical/participation certificates to the Head of Department within 7 calendar days of resumption of classes and approved by the Dean (Academic Affairs).

No condonation shall ever be granted below 65% under any circumstances.

Section 2: Transition to Relative Grading System (Rule 6.2 Amended 2025)

Rule 6.2 (Revised 2025): Starting Academic Year 2025-2026, the institute has abolished absolute grading for all courses with class strength exceeding 30 students, replacing it with a Normalized Relative Grading System.

Grades are calculated using the class mean (μ) and standard deviation (σ):

- Grade 'O' (Outstanding): Marks >= μ + 1.5σ
- Grade 'A+' (Excellent): μ + 1.0σ <= Marks < μ + 1.5σ
- Grade 'A' (Very Good): μ + 0.5σ <= Marks < μ + 1.0σ
- Grade 'B+' (Good): μ <= Marks < μ + 0.5σ
- Grade 'B' (Above Average): μ - 0.5σ <= Marks < μ
- Grade 'C' (Average / Pass): μ - 1.0σ <= Marks < μ - 0.5σ (Minimum passing score)
- Grade 'F' (Fail): Marks < μ - 1.0σ or Marks < 35% absolute cutoff.

Section 3: Summer Makeup Examination Policy

Rule 7.1 (Revised 2025): Makeup examinations will be held in June for candidates who received an 'F' grade or who were unable to write exams due to approved medical leave. Fee per course is $75.

A maximum of 3 courses can be registered during summer makeup terms.

Section 4: Revised Graduation Minimum CGPA

Rule 8.3 (Revised 2025): Effective Academic Year 2025-2026, the minimum cumulative grade point average (CGPA) required for eligibility to receive the B.Tech Degree is raised to 5.50 (increased from 5.00 in earlier regulations).

Students with CGPA between 5.00 and 5.49 must register for grade improvement courses.
